Please be advised the Venepuncture Course for all Year 3 MBBS Students is compulsory and will be conducted on the following dates during Orientation Week only:

- Monday 21st February: 8-12pm and 1-5pm

These dates are the only opportunity we can provide, in the 2011 Academic year, for you to fulfil this requirement.

Students will need to sign-up to a group through the website. Those students who do not allocate themselves to a Venepuncture group by Wednesday 16th February at 3pm, will have a group allocated to them by the MLTU. Email confirmation of this allocated group will then be sent.

Note: Students must attend the course wearing a white clinical coat, and a visible ID card.

It is recommended that students eat prior to their session (eg. breakfast or lunch depending on the class time) and bring water and a snack to have half way through the session.

Students must note that completion of all the summative tasks as listed in the Year 3 Assessment Document is a requirement for eligibility to sit the Final Examinations.

Failure to complete the Venepuncture Course may exclude you from the Final Examinations.
